

OMAM Celebration Ideas

Let's All Join in the Fun!

CareCredit and AADOM want to make it easy for providers, Office Managers, teams and even patients to join the fun. Here are just a few ways to participate:

Providers can:

- ▶ write a personal thank you note to their office manager or team member
- ▶ acknowledge their Office Manager or team member with a card, note or flowers
- ▶ splurge on lunch for the team

Teams can:

- ▶ post appreciation on their social media sites
- ▶ decorate the practice so everyone knows it's Office Management Appreciation Month
- ▶ have a morning moment of appreciation where each team member shares a compliment or a story that highlights something great about the Office Management team member

Patients can:

- ▶ complete a virtual thank you card
- ▶ add a "sticky note" of appreciation to a wall or bulletin board
- ▶ post appreciation of the Office Management team and practice on social media
